

Study Plan

The Bachelor of Science in Audiology and Speech Language Pathology includes 136 credits hours that are spread over eight semesters and can be completed in four years. The following distribution of courses by semester facilitates student's normal progression through the study plan.

First Year

Fall Semester				Spring Semester			
Crs. Code	Course Title	Type	Cr.Hr	Crs. Code	Course Title	Type	Cr.Hr
0201102	Arabic Languages	UR	3	0104101	Islamic Culture	UR	3
0202121	English for Medical Sciences	UR	3	0500160	Human Anatomy and Physiology	CR	4
0500150	Biology	CR	4	1411100	Introduction to Information technology	UR	3
0500161	Introduction to Health sciences	CR	2	1430107	General physics for health sciences	CR	4
1426155	General Chemistry for Health Sciences	CR	4	0508151	Intro to communication disorders	PR	2
Total			16	Total			16

Second Year

Fall Semester				Spring Semester			
Crs. Code	Course Title	Type	Cr.Hr	Crs. Code	Course Title	Type	Cr.Hr
0504252	Biostatistics	CR	3	0508261	Psychology for speech and hearing	PR	2
0508251	Anatomy & Physiology of hearing and Speech	PR	2	0508262	Language Development	PR	2
0508253	Acoustics of hearing and speech	PR	2	0508263	Diagnostic Audiology-I	PR	3
0508254	Audiology and fundamental concepts	PR	2	0508264	Voice disorders	PR	3
0508255	Linguistics and Phonetics	PR	3	0508265	Aural rehabilitation in Children	PR	2
0302200	Fundamentals of Innovation & Entrepreneurship	UR	3	0508266	Clinical Practice-I Audiology and Speech Language pathology	PR	2
	University Requirements (1)	UR-E	3		University Requirements (2)	UR-E	3
Total			18	Total			17

Third Year

Fall Semester				Spring Semester			
Crs. Code	Course Title	Type	Cr.Hr	Crs. Code	Course Title	Type	Cr.Hr
0508351	Articulation and Phonological disorders	PR	3	0508361	Fluency disorders	PR	3
0508352	Diagnostic Audiology-II	PR	3	0508362	Pediatric Audiology	PR	3
0508353	Hearing aids and Assistive listening devices	PR	2	0508363	Pediatric Language disorders-II	PR	2
0508354	Pediatric Language disorders I	PR	2	0508364	Neurogenic Language disorders	PR	3
0508357	Aural rehabilitation in adults	PR	2	0508367	Medical aspects in Audiology and Speech pathology	PR	2
0508358	Neuroscience for speech and hearing	PR	2	0508365	Clinical Practice-III Audiology	PR	2
0508355	Clinical Practice-II Audiology	PR	2	0508366	Clinical Practice-III Speech Language Pathology	PR	2
0508356	Clinical Practice-II Speech Language Pathology	PR	2
